THE BIG RED APPLE

Anna has a big red apple. It grows on the apple tree in her yard. The tree is tall with green leaves, and it is full of shiny apples. Every year, Anna waits for the apples to turn red. She loves picking apples with her mom and dad.

One sunny day, Anna sees the apples are ready to pick. She grabs a basket and runs to the tree. Her mom helps her reach the biggest apple on the tree.

Anna holds the apple in her hands. It is round, shiny, and bright red.

Anna takes a big bite of the apple. Crunch! The apple is sweet and juicy. She smiles and says, "This is the best apple ever!" After eating the apple, Anna helps her mom and dad fill the basket with more apples. They will use the apples to make pie and applesauce.

Anna loves the apple tree in her yard. It gives her yummy apples and fun memories every year.
