# Reading Comprehension

Answer each question.

Every Easter, the little town of Willow Springs comes alive with excitement as families gather for the annual Easter egg hunt. This year, Lily and her friends couldn't wait to join in on the fun. The Easter Bunny had hidden colorful eggs all around the town park, and each egg contained a special surprise.

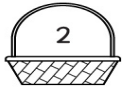

As the children raced to find the eggs, Lily spotted a shiny golden egg hidden under a blossoming cherry tree. She carefully picked it up and opened it to find a tiny key inside. "I wonder what this key unlocks," Lily thought to herself.

With the key in hand, Lily and her friends continued their hunt, collecting eggs and enjoying the beautiful spring day. Suddenly, they noticed a small wooden box tucked away in a corner of the park. The box had a lock, and Lily's eyes lit up with excitement. She tried the key, and to her delight, it fit perfectly!

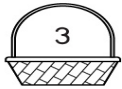

Inside the box, they found a treasure map leading to a hidden garden full of flowers and even more Easter treats. The children followed the map, laughing and cheering as they discovered the magical garden. It was the best Easter egg hunt they had ever experienced, and they knew they would remember it for years to come.

Where does the annual Easter egg hunt take place?

Who is the main character in the story?

How did the children feel when they discovered the hidden garden?

What did Lily find inside the golden egg?

What did the key unlock?
