EXPLORING OTHER CULTURES

Directions: Social Studies Conversation Prompt Worksheets designed for upper elementary, middle school, or ESL learners. These prompts encourage critical thinking, discussion, and personal connection with key social studies topics like community, history, culture, and current events. Now discuss with your friend about questions below, then Share a fun fact or a custom from a different country you admire.

Discussion Questions:

1. What countries would you like to visit and why?

2. What traditions or holidays are important in your culture?

3. How is your culture similar or different from others?

4. What's something you've learned from another culture?

Share a fun fact or a custom from a different country you admire.
