# THE CLEVER FOX

One sunny day, a fox was walking through the forest. He was very hungry. Suddenly, he saw a bunch of grapes hanging from a vine.

The grapes looked juicy and sweet. The fox jumped up to grab them, but he couldn't reach. He tried again and again, but the grapes were too high.

Finally, the fox gave up. As he walked away, he said, "Those grapes are probably sour anyway!"

-----  
QUESTIONS :

1. What the fox see in the forest?

---

2. Why couldn't the fox eat the grapes?

---

3. What did the fox say at the end?

---
