# Bunny's Spring Picnic

Read the story (or listen to it), then answer the questions in your own words.

One sunny spring morning, Bunny wakes up in his warm, cozy burrow. He hears birds singing and sees flowers blooming outside.

Bunny hops into the meadow. He sees a butterfly and follows it. In the meadow, Bunny finds his friends: Squirrel, Duck, and Ladybug.

"Let's have a picnic!" says Duck. Bunny brings carrots, Squirrel brings nuts, Duck brings bread, and Ladybug brings berries.

They eat and play under a big tree. Then it starts to rain a little, but the sun comes back and a rainbow appears.

"It's a perfect spring day," says Bunny. They all smile and hop home happily.
