The Mystery of the Missing Lunch

Lila was excited about her lunch. She had packed her favorite sandwich, a juicy apple, and a cookie. But when the lunch bell rang and she opened her lunchbox, everything was gone! Lila looked around. Her classmates were eating, and no one seemed to notice anything strange.

She told her teacher, who said they would look into it. Just then, Lila spotted crumbs on the floor near her desk. She followed them to the corner of the room, where the class hamster, Nibbles, was sitting with a bit of lettuce in his paws—and Lila's cookie wrapper!

Everyone laughed, and the teacher promised to get Lila a new lunch. From that day on, they made sure to keep the hamster cage locked tight at lunchtime.
