READING COMPREHENSION WORKSHEETS

MY FIRST SCHOOL DAY

It was my first day in third grade.

I wore my favorite red shoes.

My teacher, Mr. Grant, smiled and said, "Welcome back!"

We played a name game and made a classroom chart.

At lunch, I sat with my best friend Ava.

I think this will be a fun year.

Questions:

1. What grade is the student in?

2. What color are the shoes?

3. What did the class do together?

4. Who did the student sit with at lunch?

5. How does the student feel about the new school year?
