# SMART GOALS

What is one professional or instructional goal you want to focus on this term/year?

**S**

What exactly do you want to achieve in your teaching or classroom practice?

**M**

How will you track or measure your progress? What data or evidence will you collect?

**A**

What steps or strategies will help you realistically accomplish this goal?

**R**

How does this goal align with your role, curriculum goals, or school priorities?

**T**

What is your target deadline for achieving this goal? Are there checkpoints along the way?
