GHOSTLY FACT FAMILIES

Complete each family of facts.

The worksheet features four ghost-shaped fact families arranged in a 2x2 grid. Each ghost has two eyes (circles) and a mouth (circle). The numbers in the eyes and mouth are as follows:

- Top Left Ghost:** Eyes: 4, 8; Mouth: 12. Below the mouth are four blank equations: $\square + \square = \square$, $\square + \square = \square$, $\square - \square = \square$, and $\square - \square = \square$.
- Top Right Ghost:** Eyes: 8, 6; Mouth: 14. Below the mouth are four blank equations: $\square + \square = \square$, $\square + \square = \square$, $\square - \square = \square$, and $\square - \square = \square$.
- Bottom Left Ghost:** Eyes: 9, 4; Mouth: 13. Below the mouth are four blank equations: $\square + \square = \square$, $\square + \square = \square$, $\square - \square = \square$, and $\square - \square = \square$.
- Bottom Right Ghost:** Eyes: 2, 8; Mouth: 10. Below the mouth are four blank equations: $\square + \square = \square$, $\square + \square = \square$, $\square - \square = \square$, and $\square - \square = \square$.

Decorative elements include candy illustrations around the ghosts and starburst shapes between them.
