CHRISTMAS RIDDLES

what am I?

1. I'm red and white, curved like a hook, sweet to eat and hang on the tree.

2. I'm soft and white and fall from the sky; children make me and I don't mind being stacked.

3. I hang by the fireplace, waiting for treats.

4. I sit on top of the Christmas tree and sparkle at night.

5. I come in a box, wrapped with a bow.

6. I say "Ho ho ho" and ride a sleigh.

7. I work in a workshop, make toys all day; I'm small and merry and help Santa on his way.

8. I pull Santa's sleigh through the snow — some say I wear a red nose.

9. I'm green, circular, and hung on a door — people use me to say "welcome" at Christmas.

10. I jingle on boots and sleighs, small and round.

11. I'm sticky, brown, and made from palm sap; used in sweets and sometimes in drinks.

12. I'm sung by carolers door to door; my words tell a story of joy and lore.

13. I'm a fruit in a song that sits in a tree; find me in a carol of gifts you'll see.

14. I'm a tiny woodland shoe — you hang me on the tree and I look cute too.

15. On the twelfth day I appeared, a bird in a tree — named me from the carol's melody.
