# The Helpful Robot

Read the short passage and answer the questions.

Leo built a small robot from old toys.

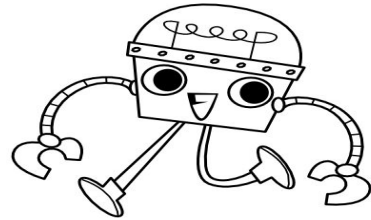

The robot could sweep the floor and water the plants.

One morning, it made Leo's breakfast too!

Leo hugged the robot and said it was his best invention ever.

## Questions:

1. Who built the robot?

2. What was the robot made of?

3. What could the robot do?

4. What did the robot do one morning?

5. What did Leo say?
