# MY CLASSROOM

I study in my classroom every day.

The classroom is clean and bright.

There are tables, chairs,  
and a board in the room.

My friends and I listen to the teacher.

We read books and write words.

We are happy to learn at school.

## Questions:

1. Where do I study every day?

---

2. How is the classroom?

---

3. What things are in the classroom?

---

4. What do the students do in class?

---

5. How do the students feel at school?

---
