# My Toy Box

I have a big toy box in my room.

Inside the box are cars, dolls, and blocks.

I like to play with my toys every afternoon.

My brother sometimes plays with me.

We clean up the toys together after playing.

## Questions:

1. Where is the toy box?

2. Name one toy in the box.

3. When does the child play with toys?

4. Who plays together?

5. What do they do after playing?
