## Little Girl's Christmas

It was Christmas Eve, and Little Girl had just hung up her stocking by the fireplace, because it was Christmas Eve, and he always had come to leave gifts. Said Little Girl; "I wish"

"Well, what do you wish?" said a Tiny Voice.

"I wish I could see Santa, his house and ride in his sleigh," said Tiny Voice, "Just try on these Shoes, and take this Light in your hand."

The shoes fitted right, and along came a little Wind, and she went up the chimney. Soon Little Girl saw a big house, Christmas candles, and there stood Santa himself.

"Merry Christmas! Come in!"

All around Little Girl were bundles and boxes of toys. Santa spied her at once and said:

"Bless my soul! Where did you come from?"

She replied, "I'm a Little Girl, and I wanted so much to see and here I am!"

"Ho, ho!" laughed Santa! "You see it is quarter of twelve now. Is there anything that you would like?"

So she said: "Oh, Santa, if I could only ride down to Earth with you!"

Santa said, "Well, shall we take her, yes! Let's take her! She's a good Little Girl."
