

FAMOUS WOMEN

Inventors

Name: _____

Date: _____

Anna Connelly, an American from Pennsylvania, lived from the mid-19th to the mid-20th century. She invented the early version of today's fire escapes. Her smart invention has saved many lives and is still vital in modern buildings.

Anna also made history by submitting a patent application without any help from a man. This was a big deal! She showed that anyone, regardless of gender, can excel in fields like science, technology, engineering, and math.

Answer each question.
