# **Women's History Month**

Women's History Month is celebrated every March in the United States. It is a special time to learn about the achievements of women throughout history. People remember leaders, scientists, artists, and heroes who helped make the world better and fairer.

One important leader was Rosa Parks. She refused to give up her seat on a bus to stand up for equality. Another inspiring woman was Marie Curie, a scientist who won two Nobel Prizes for her discoveries.

Women's History Month teaches us about courage, leadership, and the importance of following our dreams. It reminds us that women and girls can achieve great things.
