

Name:

Date:

Women's History Month

Women's History Month is celebrated every March. It is a time to learn about brave women who helped change the world.

One important woman was Amelia Earhart. She was a pilot who became the first woman to fly alone across the Atlantic Ocean. Another hero was Rosa Parks, who stood up for fairness by staying in her bus seat.

Women's History Month teaches us to be brave and believe in ourselves.

Questions:

1. When is Women's History Month celebrated?

2. Who is one woman mentioned in the passage?

3. What did Amelia Earhart do?

4. What did Rosa Parks stand up for?

5. What lesson does this passage teach?
