Bunny's Easter Surprise

Benny the Bunny was very excited. Easter was coming soon!
He loved Easter because he could hide colorful eggs in the garden.

Early in the morning, Benny woke up and painted the eggs.
He painted them red, blue, yellow, and green.
Some eggs had stripes, and some had polka dots.

After painting the eggs, Benny put them in a big basket.
He hopped to the garden and hid the eggs behind flowers, under trees, and near the fence.

Soon, the children came outside.
They laughed and ran around the garden looking for eggs.
Benny watched from behind a bush and smiled.
