# Emma's Easter Surprise

Emma woke up early on Easter morning.

The sun was shining, and the birds were singing outside her window.

She quickly put on her favorite yellow dress and ran downstairs.

On the kitchen table, she saw a big basket filled with colorful eggs, chocolate bunnies, and small toys. There was also a note from the Easter Bunny.

"Follow the clues to find your surprise!" the note said.

Emma followed the first clue to the garden.

She looked behind the flowers and found a pink egg.

Inside the egg was another clue. The next clue led her to the swing.

Then she ran to the tree, where she found a blue egg.

Finally, Emma found a big golden egg hidden behind a bush.

Inside the egg was a beautiful bracelet. Emma smiled happily.

It was the best Easter ever!

## Short answer questions:
