## THE LITTLE BIRD'S NEST

*In the spring, Tom saw a small bird flying back and forth near his window. The bird was carrying tiny twigs in its beak. Tom watched quietly so he would not scare it away.*

*After a few days, the bird built a nest on a tree branch. Soon, there were little eggs inside the nest. Tom felt excited to see nature so close to his home.*

### QUESTIONS:

1. What did Tom see near his window?

\_\_\_\_\_

2. What was the bird carrying?

\_\_\_\_\_

3. Why did Tom stay quiet?

\_\_\_\_\_

4. Where did the bird build its nest?

\_\_\_\_\_

5. How did Tom feel?
