BATHROOM SAFETY CHECK

Instructions:

Look at the bathroom picture carefully. Circle or mark the items that may be unsafe.
Then, check the list below and count how many problems you find.

Safety Checklist

Put a ✓ if the problem is found.

- | | |
|--|--|
| ☐ Wet or slippery floor | ☐ Items placed on the edge of the tub (risk of falling) |
| ☐ No grab bars near the bathtub | ☐ Towels or mats placed messily on the floor |
| ☐ No grab bars near the toilet | ☐ Trash bin placed in walking path |
| ☐ No grab bars in the shower | ☐ Poor lighting in the bathroom |
| ☐ Bathtub is too high to step into safely | ☐ Bathroom items placed too far to reach safely |
