# MEMORIAL DAY READING

Answer each question.

John and Alan had a plan for Memorial Day. They would make flags and put them in the yard. First, they got red, white, and blue paper. Next, they used glue to stick the paper together. Then, they cut out stars and stripes for the flags. They asked their mom for sticks to make the flagpoles. John and Alan worked hard and finished the flags. They were proud of what they made. On Memorial Day, they put the flags outside. They remembered the soldiers who kept them safe.

1. Where did they put the flags?

2. What colored paper do John and Alan use?

3. How can you celebrate and show kindness for Memorial Day?
