# A Surprise for Mom

Today is Mother's Day.  
I want to do something nice for my mom.  
She always takes care of me and makes me feel safe and happy.

In the morning, I wake up early.  
I clean my room and make a small card with hearts and flowers.  
I write, "I love you, Mom!" on it.

When my mom wakes up, I give her the card.  
She smiles and gives me a big hug.  
Then we eat breakfast together and laugh.

It is a happy day because I can show my love for my mom.
