# ***The Beach Adventure***

During summer, Beni and his family went to the beach. The sun was bright, and the sand felt warm under his feet. Beni ran to the water and splashed happily.

Later, they built a big sandcastle together. Beni collected shells and decorated the castle. Before going home, they watched the sunset over the ocean.

## **QUESTIONS:**

1. Where did Beni go?

\_\_\_\_\_

2. How did the sand feel?

\_\_\_\_\_

3. What did Beni do in the water?

\_\_\_\_\_

4. What did they build?

\_\_\_\_\_

5. What did they watch before going home?

\_\_\_\_\_
