BAKING COOKIES

Sara wanted to make cookies for her family. She mixed flour, sugar, butter, and chocolate chips in a large bowl.

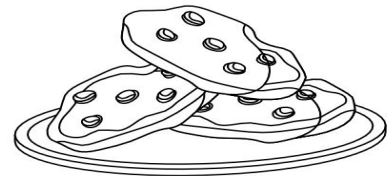

Then she placed the cookie dough on a tray. Her father helped her put the tray into the oven.

After fifteen minutes, the cookies were ready.

The kitchen smelled sweet and delicious.

Questions:

1. What did Sara want to make?

2. Name two ingredients Sara used.

3. Who helped Sara with the oven?

4. How long did the cookies bake?

5. How did the kitchen smell?
