A GARDEN FULL OF COLORS

In the spring, Dita helped her grandmother in the garden. Small green plants started to grow after the rain. Dita watered the flowers every morning and watched them carefully.

After a few weeks, the garden was full of bright colors. There were red, yellow, and purple flowers everywhere. Butterflies came to visit, and Dita felt proud of her hard work.

Questions:

1. Who did Dita help?

2. What started to grow in the garden?

3. When did Dita water the flowers?

4. What colors were in the garden?

5. Why did Dita feel proud?
