Date: _____

THE SCHOOL GARDEN

The students at Pine Tree School started a garden behind the playground. They planted tomatoes, carrots, beans, and flowers. Every day, the students watered the plants and pulled out weeds. After a few weeks, the garden began to grow.

Soon, the tomatoes turned red, and the flowers bloomed. The students were excited to see all their hard work pay off. Their teacher said they would use the vegetables in the school cafeteria.

Questions:

1. Where was the garden?

2. Name two things the students planted.

3. What did the students do every day?

4. What color did the tomatoes turn?

5. Where would the vegetables be used?
