Tom and His Rabbit

Tom has a pet rabbit named Snowy.

Snowy is white with small black eyes and soft fur.

Tom got Snowy as a birthday gift from his aunt last year.

Every morning, Tom gives Snowy carrots, lettuce, and fresh water.

In the afternoon, Snowy likes to play in the garden behind Tom's house. Tom sometimes builds small tunnels and places toys for Snowy to explore. After playing, Snowy usually rests under a tree before going back inside.
