Fill in the following information to create a plan that will take you step-by-step toward your ultimate career goal.

Pinnacle Job

Where do you see yourself at the pinnacle of your career? Describe the position, the company, the industry, and the intangibles that make this your dream job.

Why this position is ideal for you. How does it match your skills, strengths, and interests? How does it challenge you? What do you bring that will be of value? Why are you the right person to succeed in this role?

What qualifications are you missing? Write down any specific experiences, educational credentials, or other qualifications that are essential (or highly desired) for the pinnacle job you are envisioning.
