SCHOOL SUPPLIES

Before school started, Emma and her mother went shopping for supplies. They bought notebooks, pencils, crayons, and a backpack. Emma carefully organized her supplies at home. She wrote her name on each notebook and packed everything into her backpack.

On the first day of school, Emma was ready to learn. Having all her supplies helped her feel confident and prepared.

QUESTIONS:

1. Where did Emma go before school started?

2. Name two supplies Emma bought.

3. What did Emma do with her notebooks?

4. How did Emma organize her supplies?

5. Why did Emma feel confident?
