# BACK TO SCHOOL

Going back to school is an exciting time for many students. They meet their teachers, see their classmates, and learn new things. A new school year brings new opportunities and challenges.

On the first day, students often receive their schedules and classroom rules. Teachers help everyone feel welcome and explain what they will learn during the year.

Being prepared for school is important. Students should bring their supplies, listen carefully, and try their best. A positive attitude can help make the school year successful.

## Questions:

1. What do students do when they return to school?

---

2. What do students often receive on the first day?

---
