

4TH OF JULY MATCHING

Name: _____

Date: _____

Match the shadows to their pictures.

The matching exercise consists of two columns of items. The left column contains five black silhouettes (shadows) of various objects. The right column contains five line drawings of the corresponding objects. The objects are: a top hat, a firework, a rocket, a medal, and a Uncle Sam hat. The shadows are arranged vertically from top to bottom: top hat, firework, rocket, medal, and another firework. The line drawings are arranged vertically from top to bottom: rocket, medal, Uncle Sam hat, another Uncle Sam hat, and firework.
