NATIVE AMERICAN WORKSHEET

Write the correct answer.

The first people to live in a land are called indigenous people. This means they were the original settlers. Christopher Columbus called indigenous people "Indians." The term "Indian" originated when Christopher Columbus thought he had landed in the East Indies, when he first arrived to America in 1492. Today the indigenous people of the United States are called Native Americans.

When did Columbus first arrive in America?

What is Columbus called the indigenous people of the United States?

Who are indigenous people?

Today the indigenous people of the United States are called?

Where did Columbus first believe he arrived?
