# MY FIRST DAY AT SCHOOL

Today is my first day of school. I wake up early and get ready.  
I put on my backpack and walk into my classroom.  
My teacher smiles and says, "Welcome!"

I meet new classmates and learn their names.  
We read a story, color pictures, and play a fun game together.  
At lunch, I sit with my new friends. Everyone is kind and helpful.

At the end of the day, I feel happy. I learned new things and made new friends.  
I am excited to come back to school tomorrow.
