

Name :

Date :

Autumn Leaves

Autumn leaves are falling down,
Red and yellow all around.
Cool wind blows from tree to tree,
Dancing leaves are fun to see.

Pumpkins grow both big and round,
Crunchy leaves cover the ground.
Autumn brings a chilly breeze,
and colorful leaves on all the trees.

QUESTIONS:

1.) What colors are the leaves?

2.) What season is the poem about?

3.) What grows big and round?

4.) What covers the ground?

5.) Circle the words that rhyme.

down - around

tree - see

grow - leaf
