

FALL READING

Name: _____

Date: _____

Write the correct answer.

Anne went for a walk in the woods. She smelled the crisp air as she walked.

She watched as a squirrel gathered nuts. Anne knew the squirrel needed to collect nuts to eat during the winter. Food would be harder for the squirrel to find when it got colder.

Anne looked up as she walked. She saw colorful leaves on the trees. Some of them floated down to the ground. Anne picked up a red leaf and carried it as she walked through the woods.

What two signs of autumn did Anne experience during her walk?

Describe the leaf Anne picked up.

Why was the squirrel gathering nuts?
