APPLE PICKING DAY

Sophia visited an apple orchard with her class.
The trees were full of bright red and green apples.
Each student carried a basket and picked apples
carefully.

After picking apples, the class tasted fresh
apple slices. Their teacher explained how apples
grow from blossoms in the spring. Everyone enjoyed
learning while having fun outdoors.

Questions:

1. Where did Sophia go?

2. What colors were the apples?

3. What did each student carry?

4. What snack did the class eat?

5. What did the teacher explain?
