THE BEST AUTUMN ADVENTURE

Directions: Read the story carefully. Then answer the questions below.

Emma and Noah woke up on a cool autumn morning. They put on their warm sweaters and walked to the pumpkin patch with their parents. The trees were covered with bright red, orange, and yellow leaves.

At the pumpkin patch, the family picked the biggest pumpkin they could find. They also rode on a hayride and drank warm apple cider. Emma filled a basket with shiny red apples, while Noah searched for acorns under the oak trees.

Before going home, the family made a big pile of colorful leaves. Emma and Noah laughed as they jumped into the pile again and again. They agreed it was the best fall day ever.

Questions:

1. Where did Emma and Noah go?

2. What colors were the leaves on the trees?

3. What did Noah look for under the trees?

4. Which activity did the family enjoy together before going home?

5. Why do you think Emma and Noah said it was the best fall day ever?
