

Name: _____

Date: _____

The Busy Squirrel

Autumn is a busy season for many animals. A little squirrel named Sammy wakes up early every morning. He runs around the park looking for acorns, walnuts, and pinecones. Sammy hides his food under leaves and near tree roots.

The weather becomes cooler each day. Colorful leaves fall from the trees, covering the ground with red, orange, and yellow colors. Sammy works hard because he knows winter is coming soon. When the cold days arrive, he will have plenty of food to eat.

Questions:

1. What season is the story about?

2. What is the squirrel's name?

3. What does Sammy collect?

4. Why does Sammy hide his food?

5. What colors are the falling leaves?
