A Fun Day in Fall

It is a cool fall morning.

Anna puts on her warm sweater and walks to the park with her family.

The leaves on the trees are red, orange, and yellow.

Some leaves fall to the ground.

Anna picks up colorful leaves and makes a big leaf pile.

Then she jumps into it with a smile. Her little brother laughs and joins her.

After playing, the family drinks warm apple cider and eats pumpkin muffins.

They watch birds flying south for the winter.

Anna says, "Fall is my favorite season because it is colorful and fun!"
