MAKING A PUMPKIN PIE

It is a cool fall morning. Emma and her mother decide to bake a pumpkin pie together. They wash a small pumpkin, cut it into pieces, and cook it until it is soft. Then they mix the pumpkin with sugar, eggs, milk, and warm spices. The sweet smell fills the whole kitchen.

After the pie is baked, Emma carefully places it on the table to cool. Her father and little brother cannot wait to taste it. During dinner, the whole family enjoys warm slices of pumpkin pie. Emma smiles because baking together is her favorite fall tradition.
