## HALLOWEEN READING COMPREHENSION

Read the story. Then answer the question.

# THE MAGIC BROOM

Ben found an old broom leaning against a fence on Halloween afternoon. When he touched it, the broom began to fly! Ben carefully climbed on and flew over colorful trees, smiling jack-o'-lanterns, and little houses with Halloween decorations.

After a short ride, the broom gently landed back where Ben found it. Before disappearing, it left behind a shiny orange leaf shaped like a pumpkin. Ben kept the leaf as a special Halloween memory.

### Questions:

1. What did Ben find?

2. What happened when Ben touched the broom?

3. What did Ben see while flying?

4. Where did the broom land?

5. What did the broom leave behind?
