Halloween Pumpkin Graphing

Look at the pumpkin graph. Count how many pumpkins are in each row. Then answer the questions

Color	Number of Pumpkins
<i>Orange</i> 	     
<i>White</i> 	   
<i>Green</i> 	  
<i>Purple</i> 	 

1. How many orange pumpkins are there?

2. How many white pumpkins are there?

3. How many green pumpkins are there?

4. How many purple pumpkins are there?

5. Which color has the most pumpkins?

6. Which color has the least pumpkins?

7. How many pumpkins are there in all?
