

Name: _____

Date: _____

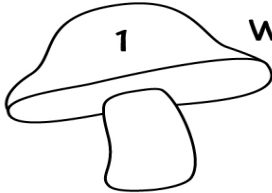

OCTOBER READING

Answer each question.

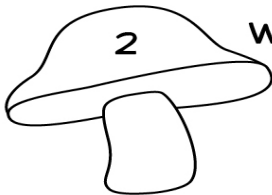

Emma went for a walk in the woods. She smelled the crisp air as she walked.

She watched as a squirrel gathered nuts. Emma knew the squirrel needed to collect nuts to eat during the winter. Food would be harder for the squirrel to find when it got colder.

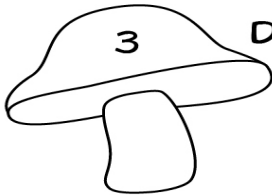

Emma looked up as she walked. She saw colorful leaves on the trees. Some of them floated down to the ground. Emma picked up a red leaf and carried it as she walked through the woods.

What two signs of autumn did Emma experience during her walk?

Why was the squirrel gathering nuts?

Describe the leaf Emma picked up.
