THE FALL FESTIVAL

Every year, our town has a fun fall festival. Families come to enjoy games, music, and delicious food. Children race through a straw maze and laugh as they search for the hidden way out.

At the pumpkin patch, everyone chooses a pumpkin to take home. Some pumpkins are small, and others are very large. People also decorate pumpkins with paint, stickers, and colorful ribbons.

Near the apple trees, visitors pick fresh apples to make pies, muffins, and juice. The cool breeze and colorful leaves make the day feel special. As the sun begins to set, families gather to watch a parade with wagons, scarecrows, and marching bands.

The fall festival is one of the happiest days of the year because it brings everyone together.

Write True or False for each sentence.
