The Big Pumpkin

Emma and her dad went to a pumpkin patch on a cool fall morning. They looked at many pumpkins. Some were small, some were tall, and some were round. Emma found a big orange pumpkin. It was heavy, but Dad helped carry it. They took the pumpkin home and cleaned it. Then they carved a happy face with two eyes, a nose, and a big smile.

That night, they put a candle inside the pumpkin. It glowed brightly on the front porch. Emma smiled because her pumpkin looked friendly. Many neighbors said it was beautiful.
