A Thanksgiving Feast

Lily woke up early on Thanksgiving morning.

She helped her family set the table with plates, cups, and colorful leaves.

The kitchen smelled like warm bread and pumpkin pie.

Soon, Grandma and Grandpa arrived. Everyone gave each other big hugs.

Before they ate, each person shared one thing they were thankful for.

Lily said, "I am thankful for my family and my puppy."

After dinner, the family played a fun game outside.

Then they enjoyed a slice of pumpkin pie together.

It was a happy Thanksgiving Day!
