# ELECTION DAY

## READING WORKSHEET

Election Day is a special day when people vote for the leaders they want to represent them. Before Election Day, people learn about the candidates their ideas. They may read about the candidates, watch debates, or talk with others about important issues.

★ ★ ★ ★ ★

On Election Day, voters go to a polling place to cast their votes.

They may use a paper ballot or a voting machine.

Each voter makes a choice privately. After everyone has voted, the votes are counted.

Voting is an important part of democracy.

It gives people a chance to share their opinions and help choose their leaders.

Good citizens learn about the choices before voting and respect the decisions of others.
