Short Story Sequence & Re-Order

Instructions: Read the short passage. Cut out the event strips at the bottom and paste them in order from 1st to 4th based on what happened in the story.

SAM'S GARDEN

Sam planted a small sunflower seed in a clay pot.
Every morning, Sam carried fresh water to the pot.
After two weeks, a green stem sprouted out of the dirt.
By the end of summer, a tall bright yellow flower bloomed in the sun.
