THE LITTLE HOUSE BY THE LAKE

In a quiet valley stands a cozy wooden house.
The house features a roof with a chimney and small windows
that look out onto the open landscape.
Next to the house, a row of pine trees stands tall.
In the background, two high mountain peaks rise up into the sky.

A wooden fence runs along the front to mark the edge of the yard.
To the right of the house, a calm lake stretches out beside another small hill.
The sky above is clear, filled with floating clouds and a few birds soaring freely.
It is a peaceful, refreshing spot far away from the noisy city.
